**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**Order Carrying Over Item and Requesting ORS to Provide Information to Commission within Ten Days**

**SUBJECT:**

[DOCKET NO. 2020-275-S](#) - Application of Condor Environmental, Incorporated Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Saluda County and Approval of Agreement (Request for Expedited Review) - Staff Presents for Commission Consideration Condor Environmental, Incorporated's Application Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Saluda County, as well as Approval of Agreement, on an Expedited Basis.

**COMMISSION ACTION:**

On December 1, 2020, the Commission received a letter advising that the Saluda County Water and Sewer Authority has concerns about the Application of Condor Environmental, Incorporated, and its Motion to Allow Service on an Provisional Basis to additional proposed service territory. Therefore, I move that the Commission carry over this matter as it relates to the Palmetto Pointe subdivision located in Saluda County.

In August of this year, Condor filed a similar Application with the Commission relative to Carriage Hill and Palmetto Pointe subdivisions. We had questions and Condor timely responded. The Office of Regulatory Staff began discovery prior to the withdrawal of that prior Application.

In its filings before the Commission, Condor states that the "ORS is reviewing Condor's Application." In fact, the ORS has filed an appearance in this Docket. The time provided by Commission Regulation 103-829(A) for any party to timely respond to Condor's motions has not expired.

I believe that the results of any discovery or review of Condor and its Application by ORS would be beneficial information for the record.

I move that we ask for ORS to provide the results of its discovery and/or review of Condor and its Application and Motion to the Commission within ten (10) days from this Directive, or if not ready or available, for the ORS to provide a status report.

I so move.
